*President, GSI*

Dear Colleagues,

I was overwhelmed by the active participation of members of Geriatric Society of India and other delegates during the 5th International Congress on Geriatric Care at Hotel Ashok, New Delhi on 14-15th October, 2006. The selection of topics gives the impression that the organizers wanted to cover every possible aspects of geriatric care.

My appeal to all members is to have some or the other activity pertaining to awareness and updation about care of elderly in every nuk and corner or our country. Let us take it a national campaign and prove our leadership in the field where we are the pioneers. Dr. O.P. Sharma has produced learning material about doctors, this is commendable and now the need is to bring out modules for geriatric care givers at all levels. The government, the NGOs and public are all sensitize now and jointly we all should be able to fulfill the goal of care of elderly in India.

Long Live GSI.
